CASE NO. 91-342

O R D E R

This matter arises before the Commission on a complaint filed on September 23, 1991 by Madge C. Boggs ("Boggs") against Francis Water Works ("Francis").

By Orders dated December 18, 1991 and January 27, 1992, the Commission requested Francis to provide certain information concerning issues raised in the complaint. Francis filed its responses on January 7, 1992 and February 18, 1992.

Based upon a review of the responses of Francis and being otherwise sufficiently advised, the Commission finds that unresolved issues exist concerning said complaint and thus further evidence is necessary.
